

Little Saints Academy Wellness Policy

Due to COVID-19, we must commit to the wellness policy set forth by the CDC and Little Saints. Each morning we will do a temperature check and basic health assessment for your child. All children 2 years old and up must wear a cloth mask. Any child with a fever of 100.0°F will not be admitted to the building. The child must be fever free UNMEDICATED for 24 hours to return. Other symptoms of COVID-19 are chills, cough, shortness of breath or difficulty breathing, new loss of taste or smell.

Other possible ailments that may not necessarily indicate COVID-19, but could still exclude your child from school, include but are not limited to muscle or body aches, headache, sore throat, congestion or runny nose, nausea/ vomiting, diarrhea, unexplained rash, pink eye with discharge, or other communicable diseases. Should your child present with any of the above, you will be notified and your child will be removed from the classroom and must be picked up within 45 minutes.

We truly appreciate your cooperation and understanding. Please sign below acknowledging your receipt of this policy.

(please list all children in family)
